

JAGUAR F-PACE

SPECIFICATION AND PRICE GUIDE

THE ART OF PERFORMANCE

F-PACE SPECIFICATION

Configure your vehicle at jaguar.com

This is where our F-PACE becomes your F-PACE. You have a number of choices; from selecting your model, engine, exterior and interior colours, wheels and those detailed touches that make the vehicle your own. You can also design and build your perfect F-PACE on our online Configurator at jaguar.com

CHOOSE YOUR MODEL

Pages 4-11

Select your model and compare the wealth of standard features and options across the F-PACE range.

Introducing the new F-PACE SVR, an SUV with the DNA of a sports car.

CHOOSE YOUR ENGINE

Pages 12-13

Select one of F-PACE's powerful, efficient petrol or diesel engines to suit your driving style.

CHOOSE YOUR EXTERIOR

Pages 14-17

Express your individuality with one of F-PACE's stunning exterior colours and complement its stunning style, with a set of beautifully designed alloy wheels.

4

CHOOSE YOUR
INTERIOR

Pages 18-19

There's a wide selection of premium seats, materials, leathers, veneers, and finishers for every personal taste.

5

CHOOSE YOUR
OPTIONS

Pages 20-23

From an extensive range of options, you can create the exact vehicle you require by adding your personal finishing touch.

6

CHOOSE YOUR
JAGUAR GEAR

Pages 24-25

Really make it yours by adding style, practicality and versatility with official F-PACE Gear Accessories from your local Jaguar Retailer.

TECHNICAL DETAILS & DIMENSIONS

Pages 26-27

VEHICLE SHOWN: F-PACE R-Sport in Firenze Red with Optional Features

F-PACE STANDARD FEATURES

EXTERIOR FEATURES

Auto-Dimming, Power Fold, Heated Door Mirrors with Memory and Approach Lights
Automatic Headlights with Powerwash
Rear Fog Lights
Gloss Black Roof Rails
Heated Rear Window
LED Tail Lights
Powered Tailgate
Rain Sensing Windscreen Wipers
Towbar Electrics & Receiver

INTERIOR FEATURES

10-Way Electric Seats with 4-Way Lumbar & Driver Memory
Ambient Interior Lighting
Auto Dimming Interior Rear-View Mirror
Carpet Mats - Premium
Dual Zone Automatic Climate Control
Electric Steering Column Adjustment
Front Cupholders with Cover

DRIVING DYNAMICS

Switchable Active Sports Exhaust
Quad Tailpipes with 95mm Finisher in Polished Aluminium

JAGUAR'S ULTIMATE PERFORMANCE SUV

F-PACE SVR is the most significant evolution yet of the award-winning F-PACE. It's an SUV with the DNA of a sports car. A sports car with all the practicality of an SUV.

SVO's highly skilled engineers and aerodynamics experts have analysed and tested every force acting on every part of the vehicle, in every way possible. Then, armed with this information, they've created something truly special.

Knowledge is more than power, it's also essential in tuning aerodynamics. By shaping the forces required to deliver breathtaking performance, Special Vehicle Operations has created a full size SUV that can roar to 100km/h in a thrilling 4.3 seconds.

DESIGNED FOR UNCOMPROMISED PERFORMANCE

No part of F-PACE SVR exists for aesthetics alone. A revised front end with enlarged air intakes and optimally positioned bonnet vents are there to improve airflow and cooling. They also give F-PACE SVR an aggressive stance and hint at the enormous power within.

Adaptive LED headlights do more than simply add to its commanding road presence. They produce a quality of light that is closer to daylight conditions, so driving at night becomes less tiring.

The swooping roofline smoothes airflow over the car, resulting in a 0.37 drag coefficient. New 395mm brake discs with red 4-piston front brake calipers deliver outstanding braking performance. Bolder wheel arches house 21" or optional 22" Forged alloy wheels. For increased grip and improved cornering capability, 295mm wide rear tyres further underscore F-PACE SVR's sporting prowess.

A new spoiler extends the roofline - offering substantial lift reduction and highlighting F-PACE SVR's sportscar pedigree. For eye catching styling and performance, you can hear the F-TYPE inspired Switchable Active Sports Exhaust system featuring quad tailpipes in highly polished aluminium.

2 CHOOSE YOUR ENGINE

SELECT ENGINE BY MODEL

You can choose from a range of diesel and petrol engines.

ENGINES		PRESTIGE	R-SPORT			S		SVR
		20d	25d	25t	30t	S	Sd

PETROL ENGINES

The **Ingenium 2.0 litre 4 cylinder 250PS Turbocharged Petrol** engine delivers outstanding usable power and torque. For excellent acceleration and effortless overtaking, maximum torque is available between 1,300-4,500rpm. This engine's twin scroll turbocharger is fed by an integrated exhaust manifold that synchronises exhaust pulses from two separate pairs of cylinders - significantly reducing turbo lag and improving engine response.

The **Ingenium 2.0 litre 4 cylinder 300PS Turbocharged Petrol** engine's impressive power is balanced with strong fuel economy. For almost instant boost and high efficiency, its low inertia twin-scroll turbocharger features low-friction ball bearings and a high flow compressor wheel. Underpinned by the turbocharger's increased aerodynamic efficiency, the engine delivers rapid acceleration and maximum torque of 400Nm between 1,500-4,500rpm.

The **3.0 litre V6 Supercharged Petrol** engine features a Roots-type twin vortex supercharger that provides linear delivery of power and maximises responsiveness. This results in performance matching much larger engines, while optimising economy and reducing emissions. The engine also features dual independent variable cam timing to vary inlet and exhaust valve operation, working alongside lightweight pistons with ultra-low friction piston rings, for increased performance and efficiency. For added refinement there is a twin, contra-rotating balancer shaft system.

The **5.0 litre V8 Supercharged Petrol** engine delivers an outstanding maximum power of 550PS. The maximum torque is an astonishing 680Nm - making the F-PACE SVR the most powerful SUV Jaguar has ever made.

DIESEL ENGINES

The **Ingenium 2.0 litre 4 cylinder 180PS Turbocharged Diesel** offers impressive performance and economy. For an engine of this size it offers high levels of torque, but not at the expenses of efficiency - a balance achieved thanks to its variable geometry turbocharger. Adapting to the changing flow of exhaust gases, it maximises low speed torque for broad power and responsiveness that is uniform, progressive and avoids lag.

The **Ingenium 2.0 litre 4 cylinder 240PS Twin Turbocharged Diesel** delivers high power and torque. Its series sequential twin turbocharger uses high and low pressure spools to give continuous acceleration and maximise performance. A higher specific power output is created by building on Ingenium technology. Upgrades include a higher pressure common rail fuel system, increased from 1,800 to 2,200 bar and an improved fuel injector flow rate.

The **3.0 litre V6 Twin Turbocharged Diesel** engine offers exceptional power, torque and drivability. It uses innovative twin-parallel sequential turbocharging - a concept pioneered by Jaguar Land Rover for smooth, more immediate delivery of power at all engine speeds, as well as two-stage water cooling to conserve energy.

ROOF CROSS BARS

Cross Bars enable the use of a wide range of roof carrying accessories. Mounting to the factory-fit roof rails, the F-PACE cross bars feature a unique quick release mechanism allowing them to be easily fitted or removed without the use of tools. Roof rails are required for fitment; these are standard on NZ models. Maximum load capacity is 75kg.

Part No. T4A13875

LUGGAGE COMPARTMENT RUBBER MAT

This premium mat is tailored specifically to protect the luggage compartment. Light and durable, it is easily removable for cleaning. Not applicable for vehicles with full size spare wheel.

Part No. T4A4218

ROOF LUGGAGE BOX

Spacious 410 litre capacity lockable roof luggage box, measuring 175 x 82 x 45cm. Maximum load capacity is 75kg.

Part No. C2C41628

Requires Roof Cross Bars (see above)

TOW BAR MOUNTED CYCLE CARRIER

Premium tow ball mounted cycle carrier provides a convenient bike carrying solution with quick release loading attachments and secure locking mechanism. Clever design allows carrier to be tilted away from vehicle when fitted allowing access into the rear tailgate. Uses 13 pin electrics. Heat shield T2H35854 required for fitment.

Part No. C2Z22694 - Two Bike Carrier

Part No: C2Z22696 - Three Bike Carrier

SKI / SNOWBOARD HOLDER

A safe and secure Jaguar branded system for transporting winter sports equipment. Incorporates slider rails for easy loading. For four pairs of skis or two snowboards.

Part No. C2A1538

Requires Roof Cross Bars (see above)

FIXED SIDE STEPS

The side steps aid entry and exit to the vehicle and improve access to the roof. Design features Jaguar branding and includes bright stainless steel edge trim and a rubber tread mat, to complement the vehicle's exterior styling cues. Not recommended for SVR.

Part No. T4A11848
