### OCTA

The Defender brand has a new hero, where striking design meets decisive all-terrain performance. Defender OCTA is the toughest, most capable model in the unstoppable Defender family. Signifying absolute strength, resilience and desirability, the name OCTA is inspired by the octahedral shape that gives diamonds their distinctive appearance, the Defender OCTA reflects diamonds' superior qualities. Nothing is tougher or more desirable than a diamond and Defender OCTA is a unique combination of extreme toughness and durability.

The ultra-exclusive OCTA EDITION ONE will only be available to the first OCTA clients during the first year of production.

## VEHICLE WARRANTY

Defender comes with a 3 year or 100,000km warranty whichever comes first.

## TRACTION BATTERY WARRANTY

The warranty period for the traction battery in a Plug-in Hybrid Electric Vehicle (PHEV) is 6 years or 100,000km whichever comes first.

## ROADSIDE ASSISTANCE

Defender comes with complimentary 3 year Roadside Assistance for new models starting from the date of first registration. The programme provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, 24 hours a day, 365 days a year, whatever the situation, wherever you happen to be. Dial from anywhere in New Zealand 0800 49 49 32 or push the vehicles Optimised Roadside Assistance button.

## ACCESSORIES

All Defender Accessories fitted by a Defender Retailer within one month or 1,600km (whichever comes first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Defender Retailer for more information.

All our accessories are designed to be an integral part of Defender vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Retailer who will be pleased to advise you on current specifications and any query you may have.
