The figures provided are NEDCeq calculated from official manufacturer's WLTP tests in accordance with EU legislation with a fully charged battery. For comparison purposes only. Real-world figures may differ. CO₂, fuel economy, energy consumption and range figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment and accessories fitted. NEDCeq are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. ¹ In conjunction with electric motor. ² Expected real world range is 96km. ³ Expected real world range is 94km.

SELECT YOUR ACCESSORIES

Personalise your Range Rover Sport with a wide range of accessories.

All Accessories fitted by a Retailer within one month or 1,600km (whichever comes first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty.

CARRYING	DESCRIPTION
Cross Bar Kit	Designed and engineered specifically for Range Rover Sport, these fixed point cross bars attach directly to four discreet mounting points within the panoramic roof, removing the need for roof rails. Maximum carrying capacity is 100kg.
Roof Box ¹	Roof mounted storage box with sleek, aerodynamic design to help minimise drag and wind noise. The power-click, quick-mount system with integrated torque indicator allows for fast and secure fitment using one hand. It has dual side opening and is lockable for security. Dimensions 1704mmL x 861mmW x 448mmH. Volume 400 litres. Box weight 17.5kg. Maximum carrying capacity is 75kg.
Roof Mounted Cycle Carrier ¹²	A roof mounted cycle carrier which mounts easily onto the cross bars, with quick-release wheel straps for convenient loading and unloading. Securely keeps the bike in place, with locks included for both bike to cycle carrier and cycle carrier to cross bars. Maximum bike weight 20kg per carrier.
Ski/Snowboard Carrier ¹	Designed to carry up to four pairs of skis or two snowboards. The carrier incorporates extendible slider rails for easy loading and unloading. A rubber grip prevents scratching and damage to equipment. Locks the equipment to the carrier and the carrier to the vehicle for enhanced security. Maximum carrying capacity 36kg.
Aqua Sports Carrier ¹	Suitable for carrying a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate loading and unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the equipment and vehicle from scratches. Maximum carrying capacity 45kg.
Tow Bar Mounted 2 Cycle Carrier ³	The tow bar mounted cycle carrier provides a compact and stable bike carrying solution for vehicles fitted with a tow bar. Featuring a one hand, quick attach/release tow bar coupling mechanism and it can be tilted away from the vehicle to allow easy access into the loadspace area even with bikes mounted. Comprising of a licence plate plinth and rear lighting for enhanced safety, the carrier locks onto the tow bar and all bike positions are lockable to the carrier. When not in use the carrier can be easily folded flat for simple storage and will fit most vehicles' loadspace areas. Maximum load capacity is 40kg for 2 Cycle Carrier and 51kg for 3 Cycle Carrier (20kg per bike).
Tow Bar Mounted 3 Cycle Carrier ³	

¹ Cross bars are required for all Land Rover roof mounted accessories. Maximum payload equals the load capacity of the roof mounted accessory. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Some roof carrying accessories may restrict the opening of the vehicle's sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle. ² Not compatible with mountain bike front forks featuring 15mm diameter axles, compatible with 20mm fork axles. ³ Requires 13 pin towing system.

EXTERIOR STYLING / PROTECTION	DESCRIPTION
Mudflaps	Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior styling. Supplied as a pair and includes fitting kit.
Fixed Side Steps - BRIGHT	The fixed side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and BRIGHT edged trim finish to complement the vehicle's exterior styling.
Fixed Side Steps - BLACK	The fixed side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and BLACK edged trim finish to complement the vehicle's exterior styling.
Deployable Side Step Kit	These smart, practical deployable side steps aid entry into the exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and a black edged trim finish. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The deployable side steps are sensitive to obstructions and will not deploy in off-road or low range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed.

INTERIOR PROTECTION	DESCRIPTION
Anti-Microbial Loadspace Rubber Mat	The loadspace synthetic rubber mat has been treated in a technical way to make it anti-bacterial and anti-fungal, this combination is known as 'antimicrobial'. This mat features Range Rover ingot branding, is waterproof and tailored specifically to protect the rear loadspace from muddy or wet items.
Anit-Microbial Deep Sided Floor Mats	Patterned, rubber footwell mat set helps provide protection from general dirt and has been treated in a technical way to make the mats anti-bacterial and anti-fungal, this combination is known as 'antimicrobial'. Manufactured from a recycled synthetic rubber, which provides extra stiffness and durability, these mats feature bright accent Range Rover ingot branding. Sold as a set of four.
Quilted Loadspace Liner	This tailored liner covers and protects all the carpeted areas of the loadspace including the floor second row seat backs and loadspace side walls. Manufactured from a soft quilted fabric, with an integral rubber base and detachable bumper protector it is easy to wipe clean.
Protective Second Row Seat Cover	Protects back of front seats, floor and second row seats from mud, dirt and wear and tear. Machine washable.
Loadspace Partition Net	Convenient loadspace partition net provides a soft alternative to the loadspace partition. Helps protect passengers from stowed items in the loadspace area. The net fits to the loadspace 'D' loops and fixing points in the roof lining. The net is easily detachable when not required.
Loadspace Partition - Full Height	The loadspace partition is designed to separate the loadspace from the vehicle's cabin area. Tailored to the vehicle, the loadspace partition offers full height protection. Easy to fit and remove without the use of tools.

PET PRODUCTS	DESCRIPTION
Foldable Pet Carrier	The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace of their vehicle. Manufactured for durable 600D nylon the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and a spring loaded locking mechanism which snaps into place when required. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient stowage option for other pet accessories or small items. H520mm x W520mm x L720mm.
Pet Access Ramp	Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. The ramp is suitable for use for pets up to 85kg and features aluminium side panels and a plastic centre section with a high-grip tread pattern. Rubber feet help to prevent the ramp slipping and retaining straps secure it to the loadspace 'D' loops providing a lightweight but robust, practical solution. The ramp weighs 8kg and can be folded for stowage in the stowage bag provided. H110mm x W410mm x L1930mm (open) & 830mm (closed).
Spill Resistant Water Bowl	Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing you pet to take a drink at all times, has an anti-slip rubber base and also retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.
Pet Loadspace Protection Pack	Designed to provide protection and easy cleaning of the loadspace from wet and muddy paws. Combines the quilted loadspace liner, full height luggage partition and spill resistant water bowl. The perfect solution for owners who regularly carry dogs or other pets in the loadspace of their vehicle.

FUNCTION / TECHNOLOGY	DESCRIPTION
Child Seat - Group 2/3	For children 15kg-36kg (approx 3½ to 12 years. Land Rover branded. Forward facing on rear seat. Padded and machine washable cover. Height adjustable headrest and upper seat belt guides ensures correct seat belt position. Easy adjustable backrest offers increased protection from deep, padded side wings and side impact protection cushion. Includes ISOFIX system.
Collapsible Organiser	The collapsible organiser keeps items from shifting during transport. Can be easily folded away when not in use.
Centre Armrest Cooler/Warmer Box	Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family. Not compatible with vehicles fitted with executive class rear seats
Electric Cool Bag	This cool bag is thermostatically temperature controlled, is powered by the 12volt auxiliary socket and has an easy to clean interior surface. H380mm x L380mm x W220mm. Volume 14 litres.
Seat Back Stowage	Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.
Seat Back Stowage - Premium Leather	Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.
Windscreen Sun Shield	Tailor-made for the Range Rover windscreen and features Range Rover branding. UV windscreen sun shield reflects the sun's rays and helps to keep the vehicle interior cool in hot weather.

IMPORTANT INFORMATION

COMPLIMENTARY SCHEDULED MAINTENANCE

The Range Rover Sport Complimentary Scheduled Maintenance* which covers your vehicle for the following number of years and kilometres travelled, whichever comes first.

1. Vehicles with 6-cylinders
 - a. 6 years or 3 services, maximum 102,000kms
2. Vehicles with 8-cylinders
 - a. 5 years or 5 services, maximum 130,000km

The vehicles Condition Based Servicing will take into account individual driving styles and conditions to determine when and what type of servicing is required. The vehicle is fitted with a service interval indicator in the instrument panel. When a service is due an estimated distance to the next service is displayed.

* Wear and tear parts replacements are not included in Scheduled Maintenance.
Castrol EDGE Professional is the only oil recommended by Range Rover Sport.

VEHICLE WARRANTY

Range Rover Sport comes with a 3 year or 100,000km warranty whichever comes first.

TRACTION BATTERY WARRANTY

The warranty period for the traction battery in a Plug-in Hybrid Electric Vehicle (PHEV) is 6 years or 100,000km whichever comes first.

ROADSIDE ASSISTANCE

Range Rover Sport comes with complimentary 5 year Roadside Assistance for new models starting from the date of first registration. The programme provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, 24 hours a day, 365 days a year, whatever the situation, wherever you happen to be. Dial from anywhere in New Zealand 0800 49 49 32 or push the vehicles Optimised Roadside Assistance button.

FINANCIAL SERVICES

New or used for personal or business use, we have a finance option that puts you in complete control. Please speak to your local Retailer to find out more.

INSURANCE

To take into consideration the specific needs of you and your vehicle we have designed an insurance policy with a superior range of cover to give you peace of mind. For more information please contact your local Retailer.

ACCESSORIES

All Accessories fitted by a Retailer within one month or 1,600km (whichever comes first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Retailer for more information.

All our accessories are designed to be an integral part of Range Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Retailer who will be pleased to advise you on current specifications and any query you may have.

IMPORTANT NOTICE

All pricing, specification & option levels are relevant for MY25 production at time of printing. All prices are in New Zealand dollars and include GST but exclude On-Road and set up costs. Range Rover Sport New Zealand reserves the right to make changes to pricing, specification & options at any time without prior notice.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this Specification and Price Guide should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

The navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users.
