CHOOSE YOUR LAND ROVER GEAR

A range of stylish, tough and practical accessories are available, bringing you the opportunity to personalise your Discovery Sport even further. These accessories can be purchased through your Land Rover Retailer and added at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

CROSS BARS

Cross bars enable the use of a wide range of roof carrying accessories. Mounting to the vehicle body. Discovery Sport cross bars feature a new and unique quick release mechanism allowing the cross bars to be easily fitted or removed without the use of tools. When fitted maximum load capacity is 61kg.

Part No. VPLZR0171

Roof rails required

Part No. VPLCR0135 (Silver)

Part No. VPLCR0134 (Black)

LUGGAGE CARRIER

Flexible rack system to facilitate roof carrying. When fitted maximum load capacity is 56kg.

Part No. VPLRR0159

Roof rails and cross bars are required for all Land Rover roof mounted accessories.

LUGGAGE ROOF BOX

Roof mounted luggage box with Gloss Black finish. Opens from both sides and is lockable for security. Includes power-grip mounting for easy and quick fixing to the roof bars. External dimensions 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. Load capacity is 51.5kg.

Part No. VPLVR0062

Roof rails and cross bars are required for all Land Rover roof mounted accessories.

SKI/SNOWBOARD CARRIER

Carries four pairs of skis or two snowboards and incorporates slider rails for easy loading, is also lockable for security. Maximum payload is 36kg.

Part No. LR006849

Roof rails and cross bars are required for all Land Rover roof mounted accessories.

WHEEL MOUNTED BIKE CARRIER

Roof mounted, lockable bike carrier designed for holding a single bike, up to 20kg. Roof rails and cross bars will accommodate two bike carriers.

Part No. VPLFR0091

Roof rails and cross bars are required for all Land Rover roof mounted accessories.

TOW BAR MOUNTED 3 BIKE CARRIER

The tow bar mounted bike carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Manufactured from aluminium and other lightweight materials, the bike carrier also features a rear lighting and licence plate mount and it is lockable for security. Requires 50mm tow hitch and 13 pin tow electrics for fitment. Heat shield also required for fitment. Maximum load capacity 51g.

Part No. VPLVR0068

Part No. VPLYR0165 Heat Shield

SEAT BACK STOWAGE

Provides convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

Part No. VPLVS0181

LOADSPACE LINER TRAY

Semi-rigid waterproof loadspace liner tray with a raised lip on three sides to protect loadspace floor and side wall carpets from dirt or wet equipment.

Part No. VPLCS0274

FOLDABLE PET CARRIER

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. Manufactured from a durable 600D nylon the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and a spring loaded locking mechanism which snaps into place when required. Reinforced carry handles and corner pieces provide a premium finish. Height 52cm, width 52cm, length 72cm.

Part No. VPLCS0520

LUGGAGE PARTITION - HALF HEIGHT

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating featuring tilt functionality. When half height luggage partition is fitted to 5+2 seat configuration the 3rd row seats cannot be used.

Part No. VPLCS0300

LOADSPACE RETENTION KIT

The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable strap with inertia reel and telescopic rod. Requires loadspace rails for fitment.

Part No. VPLCS0324

APERTURE RETENTION NET

The aperture retention net prevents small items from falling out of the loadspace when the tailgate is opened and maximises packing space. Manufactured from premium lightweight materials including high grade machined aluminium to ensure robust quality.

Part No. VPLCS0267

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Gear – Accessories fitted by a Land Rover Retailer within one month or 1,600 kilometres (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Gear – Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Land Rover Retailer for more information.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Retailer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

All pricing, specification and option levels are relevant for MY20 production at time of printing. All prices are in NZ dollars and include GST but exclude On-Road and setup costs. Land Rover New Zealand reserves the right to make changes to pricing, specification and options at any time without prior notice.
